

★★ !!PRIORITIZE IT!! ★★

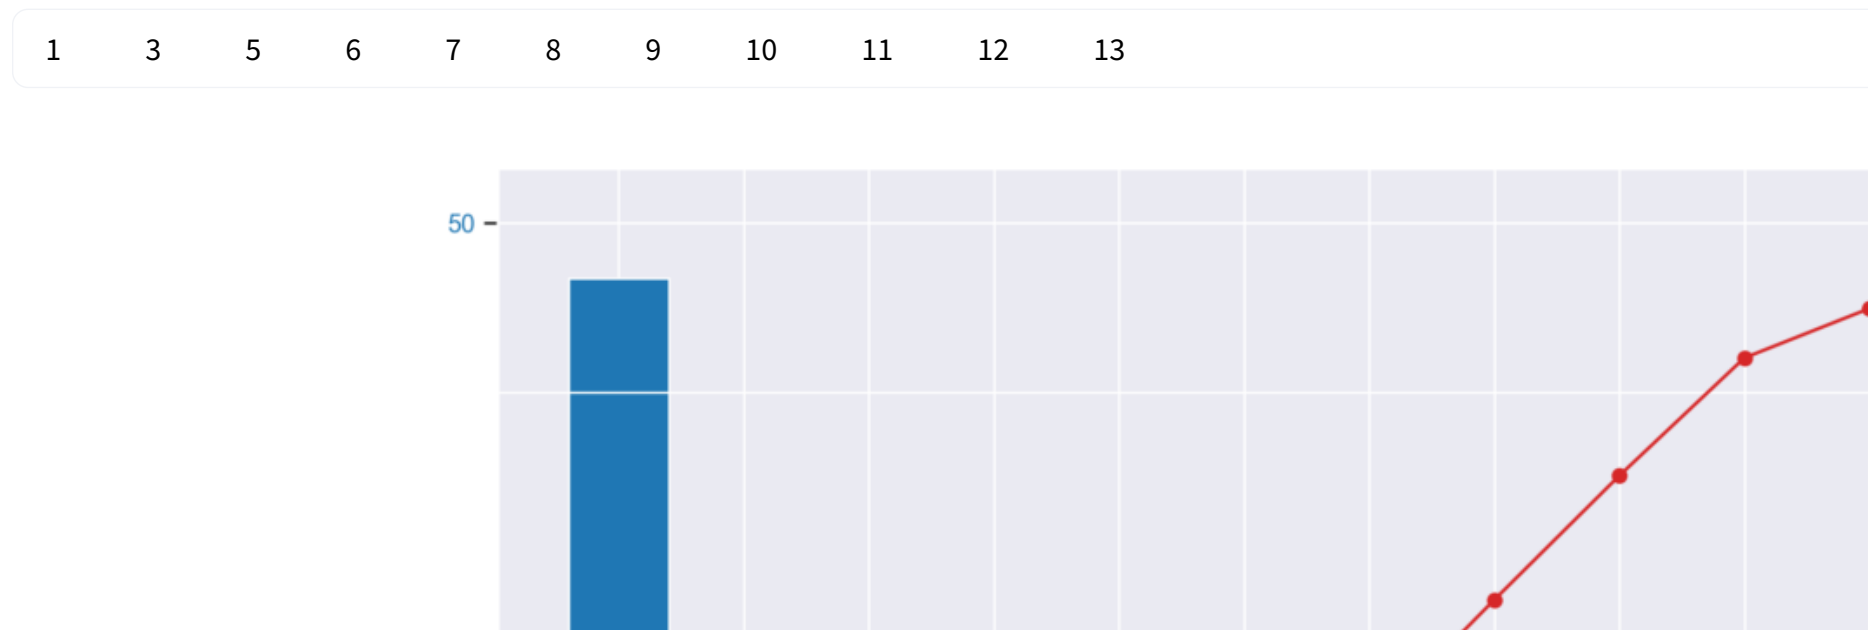

A PARETO PILOT APP FOR PROJECT MANAGERS

	description	value	effort	id	name
0	User Experience Security User Experience Functionality. Security User Experience User Experience.	986	75	Task-01	Backend Development App D
1	User Experience Performance Functionality Functionality Security Functionality. Functionality User Experience Performance User Experience.	649	93	Task-02	App Development App Develo Development App Developm
2	Model Algorithm Feature Prediction. Algorithm Feature Algorithm Feature Prediction. Prediction Feature Prediction Prediction Algorithm.	934	77	Task-03	Machine Learning Neural Net Learning.
3	Timeline Timeline Team Timeline Objectives Team Timeline Objectives. Timeline Objectives Team Timeline Budget Team. Objectives Timeline Team Timeline Budget.	670	27	Task-04	Resource Allocation Risk Man Allocation Project Planning R Resource Allocation.
4	Product Feedback Support Tickets Product Feedback Product Feedback Support Tickets Product Feedback Customer Satisfaction. Support Tickets Product Feedback Support Tickets Product Feedback.	488	33	Task-05	Customer Onboarding Custor Customer Retention Custome Customer Onboarding Custor
5	Target Audience Target Audience Sales Funnel Marketing Channels. Sales Funnel Target Audience Marketing Channels. Target Audience Customer Retention Target Audience.	103	52	Task-06	Marketing Campaign Sales St Campaign Customer Relation
6	Objectives Team Team Objectives Budget Objectives. Timeline Team Objectives Budget Timeline Objectives.	609	92	Task-07	Resource Allocation Project C Allocation.
7	Timeline Budget Budget Budget Team. Timeline Objectives Team Objectives Team Team. Timeline Objectives Team Timeline Team Team. Timeline Budget Objectives Objectives.	657	19	Task-08	Project Closure Project Plann Risk Management Risk Manag
8	Customer Retention Sales Funnel Target Audience.	677	95	Task-09	Sales Strategy Sales Strategy

	description	value	effort	id	name
					Marketing Campaign Market /
9	User Experience User Experience Security Functionality. Security User Experience Performance User Experience User Experience.	533	47	Task-10	User Interface Backend Development User Interface.
10	Feature Prediction Prediction Model. Model Feature Algorithm Feature.	878	18	Task-11	Deep Learning Data Mining N Learning.
11	Model Algorithm Feature Prediction Feature Prediction Model. Prediction Model Model. Prediction Feature Algorithm Algorithm Algorithm Model.	428	31	Task-12	Deep Learning Machine Learning Neural Networks De
12	Model Model Algorithm Model Prediction. Model Feature Prediction Model Prediction Algorithm Feature.	139	50	Task-13	Machine Learning Data Mining
13	Customer Satisfaction Customer Journey Product Feedback Product Feedback Customer Journey Customer Satisfaction Customer Journey.	71	9	Task-14	Customer Retention Customer Onboarding.
14	Team Team Budget Team Team. Team Objectives Team Objectives. Team Objectives Objectives. Team Budget Timeline Objectives Budget. Timeline Timeline Objectives Timeline Budget.	383	83	Task-15	Project Planning Project Plan Allocation Project Closure Project Resource Allocation.
15	Security User Experience Performance Functionality Functionality. Functionality User Experience User Experience User Experience. Performance Performance User Experience.	855	52	Task-16	Testing Testing User Interface Development User Interface U
16	Sales Funnel Target Audience Customer Retention Target Audience Sales Funnel. Customer Retention Customer Retention Customer Retention Sales Funnel.	429	80	Task-17	Customer Relationship Custo
17	Algorithm Prediction Feature. Model Model Algorithm Feature.	875	18	Task-18	Data Mining Neural Networks Learning Neural Networks Ne
18	Customer Retention Target Audience Marketing Channels Customer Retention Customer Retention. Sales Funnel Customer Retention Sales Funnel Marketing Channels Marketing Channels.	365	52	Task-19	Market Analysis Market Analysis Customer Relationship Marke
19	Roadmap Market Roadmap Strategy Market Roadmap Market Market. Market	877	66	Task-20	Market Research Competitor .

	description	value	effort	id	name
	Market Roadmap Market Innovation Roadmap Market Innovation.				Research Competitor Analysis
20	User Interface Performance Functionality. User Interface User Interface Security. Performance User Interface Functionality User Interface.	579	94	Task-21	Testing User Experience App I Experience User Experience T
21	Objectives Budget Team Budget Team. Timeline Team Budget Team Budget Budget Team.	378	12	Task-22	Project Closure Project Closu
22	Feature Prediction Algorithm Prediction Model Feature. Model Feature Feature Algorithm Algorithm.	384	70	Task-23	Machine Learning Deep Learn Machine Learning.
23	Roadmap Market Market Strategy Market Strategy Innovation. Innovation Market Roadmap Innovation Roadmap Market Strategy. Roadmap Market Market Strategy.	344	8	Task-24	Market Research Market Rese Analysis.
24	Strategy Roadmap Market Strategy Strategy Innovation Roadmap Innovation. Innovation Strategy Strategy Innovation. Strategy Innovation Strategy Innovation Innovation Strategy Roadmap.	616	47	Task-25	Product Launch Competitor / Competitor Analysis Competi
